DON'T FORGET: By registering for the World Congress, you will be automatically registered for the SOS Symposium, whose program will take place during the World Congress on September 11-12.

SOS-LIVE SURGERY

FOR THE FIRST TIME IN 50 YEARS, THE ISAPS WORLD CONGRESS WILL INCLUDE LIVE SURGERIES FROM THE SOS SYMPOSIUM, WHICH DEALS WITH SECONDARY OPTIMIZING AESTHETIC SURGERY!

The SOS Symposium offers participants the unique chance to see some of the world's aesthetic surgery experts operate live on complication cases and failed aesthetic surgeries!

WE HAVE SCHEDULED SEVERAL REVISIONAL SURGERIES FOR YOU

Revision-Facelift, -Lidsurgeries, -Rhinoplasties, and Breast surgeries performed by an outstanding international faculty:

T. Gerald O'Daniel (United States)
Michael Bradley Calobrace (United States)
Nazim Cerkes (Turkey)

Sebastian Haack (Germany)
Dirk Richter (Germany)

Video-Presentations:

T. Gerald O'Daniel (United States)
Michael Bradley Calobrace (United States)
Rafic Kuzbari (Austria)
Carlos Roxo (Brazil)

Andrew Jacono (United States)
André Auersvald (Brazil)
Moustapha Hamdi (Belgium)

PARALLEL EVENT IN NEIGHBORING HALLS

See how the masters prepare for these surgeries and address unexpected findings.

Ask the surgeons intraoperative questions directly or discuss their procedures with them the following day!

This event is especially suited for experienced surgeons who focus on the face, eyelids, nose, breast and body.

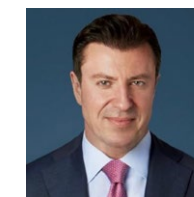

ON DAY TWO, JOIN OUR HOT TOPIC PANELS FOR LIVE DISCUSSIONS, INCLUDING:

Options to Treat the Waterfall Deformity
Rippling in Slim Patients
Areola Widening - Prevention and Treatment
The High-Riding Abdominoplasty Scar
Umbilicus Stenosis - Reasons and Ways Out
Treating Liposuction Irregularities
Chemosia as an Enemy - When Waiting is Not Enough
Lower Lid Malposition - When to Do What?
The Over-Grafted Lower Eyelid - Not an Easy Way Out
Filler Granuloma in the Periorbital Area - Chemistry or Knife?
Non-Invasive Face-Lift Complications: Threads, Fillers and Devices
Recurring Platysma Bands - What to Do Better Next Time?
Facial Nerve Injuries - What to Do and When?

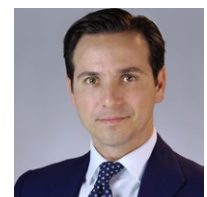

SEE YOU SOON IN VIENNA!
